

The ties that bind . . . keep us working together

The Way America Cares

Community by Community™

**United Way –
connected to the community . . .**

By funding programs that help educate children, care for the elderly, train local leaders and assist neighbors in need, we are helping to lay the foundations for healthy, thriving communities. Experienced United Way volunteers assess our local community needs and determine how best to distribute funds to battle the most pressing issues.

United Way. . . making your caring count!
