

Sports

Hand shakes and swings - were common at the Jordan D. Specht Memorial Golf tournament. The tournament was held at Hickory Valley Golf Club. The August 30 event benefits those suffering from a rare disease that attacks the connective tissue of the body, EDS, Ehlers-Danlos disease caused the death of Diane and Dave Specht's son Jordan.

The monies raised from the tournament will go toward research and education. This year, the tournament raised over \$45,000, with the possibility of reaching \$50,000.

The Spechts have a company in Milwaukee, Wis. that will develop and produce a CD that will educate the medical field. EDS is only diagnosed correctly 10 % of the time.
